

Starting Monday, July 19, 2021, Barsh Construction will begin demolition and replacement of the “rough” section of the East bound lane of Harbor Drive. Traffic will be switched back to one lane movement with the traffic lights functioning.

The proposed schedule is as follows:

- Saw cutting 7/19/21 through 7/21/21
- Concrete removal 7/20/21 through 7/23/21
- Jackhammer centerline concrete 7/22/21 through 7/28/21
- Form and pour concrete back 7/27/21 through 8/5/21

Thank you for understanding,

Barsh Construction
