

The City of Woodway is completing a sewer project in the **14000 and 13000 blocks of Sandalwood**. This section of Sandalwood runs from Merrifield to Trailwood. This project will affect the intersection of Sandalwood and Merrifield throughout various phases of the project. During construction, parts of Sandalwood will be condensed down to one lane of traffic. Please be aware of the project and expect some delays during busy traffic times. The project is expected to last from **November of 2021 through late December of 2021**.

If you have any questions, you may contact Community Services Director Mitch Davison by phone at 254.772.4050 or via email at mdavison@woodwaytexas.gov. You may also visit the Community Services office located at 924 Estates Drive if you would like to speak to someone in person. Thank you for your patience and understanding during this project.
